

Hatem Dridi

Web developer

More than 8 years of experience in web site and web application development, as well as in web site redesign and web mock-up creation. I master the web development tools in native PHP, Laravel Framework from integration of the HTML5, CSS3 and JS portion from Adobe XD or Figma, or the integration on the Wordpress CMS. I am proficient in Photoshop, Illustrator, Adobe XD, Figma. I have a good knowledge on Github.
